# The Handbook of Carbon Management

A Step-by-Step Guide to High-Impact Climate Solutions for Every Manager in Every Function

*By* Petra Molthan-Hill, Fiona Winfield, Richard Howarth, Muhammad Mazhar

Written by an award-winning team of experts in the field of sustainability in business, this easy guide for managers shows how you can reduce carbon emissions and your organisational carbon footprint. It also helps you to scale up climate solutions across your organisation and to do this effectively and efficiently, using practical and helpful tools that can be shared with teams. It is the first book to offer organisations an easy-to-implement, step-by-step approach to decarbonise organisations and transform societies, and will be valuable to managers at any level.
