PRACTICAL INFORMATION FOR TEACHERS' TRAINING IN CLUJ-NAPOCA

GENERAL INFO

The training activities will take place on October 21–23.

Arrive no later than October 20th and depart no earlier than October 24th.

We kindly ask all participants to be present for the entire duration of the training.

ARRIVING IN CLUJ-NAPOCA

We strongly recommend **flying directly to the Cluj-Napoca International Airport (Avram Iancu Airport)**, which is the most convenient option.

TRANSPORTATION

a) Take a Bolt from the airport

The easiest option is to take a Bolt, especially if you have luggage or don't know the city. A ride to the center costs around 50 RON (10 EUR).

b) Bus

Tickets available in the bus, by card;

Line A1E - special line from the terminal to Mihai Viteazu stop (6 RON, 1,19 Euro/trip) & faster

Line 8 or line 5 - connects the airport to the city, but it's outside of the airport (3,5 RON, 0,7 EUR/trip)

MOVING AROUND THE CITY

Getting around Cluj-Napoca is simple.

Bolt is the most reliable ride-sharing option, while Uber is less common.

The city's CTP bus system is easy to use via Google Maps, with tickets costing 3.5 RON (0.7 EUR), though keep in mind that transfers require another ticket.

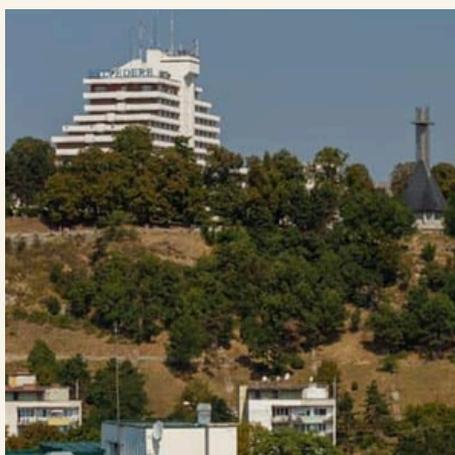

Many areas, especially the city center, are best explored on foot for their charm, history, and lively cafés.
