

<b>WSB University</b>	
<b>Field of study: International relations</b>	
<b>Course: Borders in globalization</b>	
<b>Educational profile: practical</b>	
<b>Education level: I - cycle studies</b>	
<b>CLASS LANGUAGE</b>	English
<b>FORM</b>	Lecture
<b>COURSE OBJECTIVES</b>	The purpose of the lectures is to familiarize students with the theoretical issues of analyzing globalization processes that take place at the economic, political and social levels, with a particular focus on borders. The lectures will present the positive and negative effects of these processes on international relations not only in the modern economy, politics and social life of countries, but also in world structures.
