Q-HELIX ALLIANCE

NAWA Programme “Support for European Universities”

Project No. BPI/WUE/2025/1/00016

“Support for the European University Alliance Q-Helix – Inclusive European University Based on the Quintuple Helix Model”

ANNEX NO. 8

FINAL RESEARCH MOBILITY REPORT TEMPLATE

Dąbrowa Górnicza, Poland

12 June 2026

This document has been prepared within the project “Support for the European University Alliance Q-Helix – Inclusive European University Based on the Quintuple Helix Model”, implemented by WSB University under the NAWA Programme “Support for European Universities”. The project is financed by the European Union under the European Funds for Social Development 2021–2027 Programme.

FINAL RESEARCH MOBILITY REPORT

PART I – GENERAL INFORMATION

1. Participant Information

Field	Information
Full name	
Academic / scientific title	
Position	
Sending Institution	
Country	
E-mail address	

2. Mobility Information

Field	Information
Host Institution	
Country	
City	
Host Researcher	
Mobility start date	
Mobility end date	
Total number of mobility days	

3. Research Group Information

☐ Existing Q-Helix research group

☐ Newly established Q-Helix research group

Name of the research group (if applicable)

PART II – IMPLEMENTED ACTIVITIES

4. Description of Implemented Research Activities

Please describe the research activities implemented during the mobility.

5. Cooperation with the Host Institution and Host Researcher

Please describe the cooperation established or developed during the mobility.

PART III – OUTPUTS AND RESULTS

6. Outputs and Results Achieved During the Mobility

Please indicate the outputs and results achieved during the mobility.

Outputs achieved/planned

☐ Joint scientific publication

☐ Conference presentation

☐ Joint research proposal

☐ Educational materials

☐ Research data/materials

☐ Future joint research activities

☐ Research network development

☐ Microcredential-related activities

☐ Preparation of future international project proposal

☐ Other: .....

Description of outputs/results

7. Dissemination and Visibility Activities

Please describe dissemination, communication, or promotional activities related to the mobility and the Q-Helix Alliance.

PART IV – COMPETENCE DEVELOPMENT

8. Competences Developed During the Mobility

Please describe the competences strengthened or developed during the mobility.

Types of competences developed

☐ Research competences

☐ Methodological competences

☐ International cooperation competences

☐ Interdisciplinary research competences

☐ Project development competences

☐ Scientific networking competences

☐ Educational/teaching competences

☐ Digital competences

☐ AI-related competences

☐ Communication and dissemination competences

☐ Other: .....

Description of developed competences

9. Impact of the Mobility

Please describe the impact of the mobility on:

a) the Participant's professional/scientific development

b) the development of research cooperation within the Q-Helix Alliance

c) future research, educational, or project activities

PART V – FUTURE COOPERATION

10. Future Cooperation Plans

Please describe planned continuation of cooperation after the mobility.

Planned future activities

☐ Joint publication

☐ Joint conference participation

☐ Future research mobility

☐ International project proposal preparation

☐ Joint educational activities

☐ Development of microcredentials

☐ Expansion of the research group

☐ Other: .....

Description of future cooperation plans

PART VI – PARTICIPANT DECLARATION

11. Participant Declaration

☐ I confirm that the mobility was implemented in accordance with the approved application and mobility agreement.

☐ I confirm that the information provided in this report is true and complete.

☐ I acknowledge that the report and mobility results may be used for monitoring, evaluation, dissemination, reporting, and promotional purposes related to the Project and the Q-Helix Alliance.

12. Signature
