Participant Statistics

Indicator	Number
Total number of Participants	
Participants who completed the pre-test	
Participants who completed the post-test	
Participants who successfully completed the School programme	
Participants who received a Certificate of Competences	
Participants recognised as having acquired competences	

Competence Acquisition Verification

Based on:

- attendance records provided by the Host Institution;
- completed pre-test assessments;
- completed post-test assessments;
- Certificates of Competences issued by the Host Institution;

WSB University confirms that the Participants who successfully completed the International Thematic School and received a Certificate of Competences have acquired or strengthened competences related to the thematic scope of the School.

The acquisition of competences has been verified through participation in educational activities and completion of the competence validation process established for the School.

Project Indicator Verification

The number of Participants recognised as having acquired competences shall be reported under the Project indicator:

“Number of persons who acquired competences or qualifications.”

For the purposes of the Project, a Participant shall be considered to have acquired competences if all of the following conditions have been fulfilled:

☐ participation in the School programme;

☐ completion of the pre-test;

☐ completion of the post-test;

☐ successful completion of the educational programme;

☐ receipt of a Certificate of Competences.
