UPCOMING STUDY VISIT OF OUR PROJECT PARTNERS!

SOON, OUR PARTNERS FROM REBUILD PROJECT WILL PARTICIPATE IN A STUDY VISIT IN ITALY, WHERE THEY WILL EXCHANGE EXPERIENCES AND EXPLORE BEST PRACTICES IN ACTION.

GOAL OF THE STUDY VISIT:

DURING THE STUDY VISIT, PARTICIPANTS WILL EXPLORE REAL-LIFE EXAMPLES OF SUCCESSFUL PRESERVATION AND REVITALIZATION EFFORTS. SITE VISITS WILL SHOWCASE INNOVATIVE RECONSTRUCTION TECHNIQUES AND OFFER PRACTICAL INSIGHTS INTO EFFECTIVE APPROACHES. COMPLEMENTING THESE EXPERIENCES, EXPERT-LED LECTURES WILL PROVIDE VALUABLE CONTEXT AND GUIDANCE, ENRICHING THE UNDERSTANDING OF SUSTAINABLE REBUILDING PRACTICES.

WE WANT YOU TO STAY UPDATED – SHORTLY WE WILL SHARE PHOTOS AND KEY INSIGHTS FROM THE VISIT. IT'S A GREAT OPPORTUNITY TO SEE HOW INTERNATIONAL COOPERATION TRANSLATES INTO CONCRETE ACTIONS WITHIN THE PROJECT
